

Registration form for SARS-CoV-2 PCR test

People arriving in Switzerland from certain countries and areas are required to go into quarantine. The actual list you can find on this [website](#).

Unfortunately the quarantine cannot be shortened by a negative test either. In the context of sports events, the cantonal authorities can grant exceptional permits. In case of problems, please contact davosnordic@davos.ch
 All persons in the "red group" (athletes, including forerunners, managers, coaches, medical and service staff and further FIS employees) are required to bring a negative PCR test with them for accreditation. The test report has to be not older than 72 hours, anti-gene rapid tests are not accepted.

For required tests, which will be performed at the test center in Davos, please fill out the form below completely and in time and send it to davosnordic@davos.ch. The tests are paid on site and will cost 130 CHF. Notification will be sent by mail (neg. result) or by cell phone (pos. result).

Many thanks!

OK Davos Nordic
